News Bulletin – March 2026

Hello Centre Members.

Spring is finally here with snowdrops and daffodils on display. Our programme of talks continues this month with Keith's talk Stories of Shugborough on the 10th and Nigel is leading our first walk of the year – an interesting look around the history of Stone Town on March 25th.

Payment of balances for the holiday to Scarborough in May, is now overdue – so holiday makers, if you haven't done so already, please send your cheques in without delay.

Finally, this is your last chance to renew your membership, if you haven't done so already, please do so as soon as you can. It's easy to do online just. [Click here.](#)

I hope to see you all at the talk next Tuesday.

Best wishes

Stories Of Shugborough - 10th March

A Talk by Keith Alldritt

Apart from being a member of the Staffordshire Centre, Keith is a volunteer at Shugborough and will tell the stories behind the paintings in the smallest, most visited space in the mansion - The Veranda Passage - but also the most overlooked. Learn about an audacious horse racing gamble, capturing a treasure ship, the difficulties of being the Post Master General, and famous visitors.

See why the watercolours - recently conserved thanks to funding from Staffordshire Centre - are important to show the history and development of the estate, especially in the

1700s, including Thomas Anson's most impressive structure which no longer exists!

Diary dates :-

14th April – 52nd Annual General Meeting

12th May – The Staffordshire Film Archive – Ray Johnson

WALKS

Please remember that you join our walks at your own risk and are responsible for your own safety. Leaders will indicate the difficulty of the walk so walkers can make an informed choice on whether or not to join in. Appropriate clothing and footwear should be worn. We hope to start our 2026 series in March – watch out for details in the bulletin and on the website.

Stone Town – 4.8 m – Wednesday 25th March

The walk will start and finish at the Star Inn. We begin by passing under the road to Westbridge Park, and eventually join the Trent & Mersey Canal towpath, which we follow past the town, and up to Meaford Locks. Here, we pick up a footpath towards Outlanes and the Common Plot. The route then takes us around Alleynes High School, before crossing the A520 to Nanny Goat Lane and returning to The Star, via St Michaels churchyard.

There's plenty of history associated with Stone, so we'll pause to look at things of interest along the way... for example, we'll take a look at the historic Joules brewery buildings, the new Crown Wharf, and the old buildings at

the end of Mill Street (associated with milling flint for the potteries and flour for Hovis bread).

The route consists of towpaths and public footpaths, with just two well-maintained stiles (one with a gate alternative) and, of course, we'll stop for a coffee break. Boots or strong shoes/trainers recommended.

Start: 10.15am at the Star Inn Car Park, to depart at 10.30am. As the pub won't be open at this time, public toilets are located just around the corner, in Crown Street Car Park. We should be back for lunch by 1.00pm.

Sat Nav: ST15 8QW (nearest). Approach via the A34 (follow the signs to Stone). The entrance to the Star Inn car park is on Stafford Street (opposite M&S).

Lunch: The Star Inn, 21 Stafford Street, Stone, ST15 8QW. I'll send out menus nearer the time, as they may vary from the standard Marston's offering: marstonspubs.co.uk. If you wish to join us for lunch, then please let me have your menu choices by Monday 23rd March

Organiser: Nigel Holmes

Potential walk leaders... If you would like to organise a circular walk next year, typically 4 to 5 miles (6 miles maximum), with parking and a nearby location for lunch, then please get in touch. Thanks.
